

Celebrate-the-launch-contest

To participate in the contest simply mention doingText somewhere: say something on twitter, facebook or your blog, put up a video on YouTube or do whatever you can think of. Then add the link or a screenshot into this discussion.

To celebrate our launch we are giving away free doingText accounts!

The contest is open until Apr, 22nd. Next Thursday our fairy will draw the winning names. We will be giving away 3 Large Plans, 5 Medium Plans and 10 Small Plans - free for a lifetime.

This contest is open for everyone, not just doingText users. So tell your friends :)

Post-beta version is looking great. -- mja <https://twitter.com/mja/status/1532540203>

This thing looks great. I'm really excited to give it a try. (Thanks for the pointer, @mja!).
